### WRAMP-GARDNER

The wedding bells rang joyously on Saturday evening last, at Wahiawa, at the home of Mr. and Mrs. William Kruse, when their granddaughter, Miss Helen A. Gardner, was married to Mr. George C. W. Wramp, of Kekaha, by Rev. J. M. Lydgate, in the midst of a large circle of relatives and intimate friends. The bride, who is an attractive girl, was simply but prettily dressed after the manner of brides, and the service was more than usually impressive, with that happy combination of genuine emotion which runs to smiles one moment and to tears another. The ceremony was immediately followed by a wedding supper, where the rare delicacies of the old-time German cooking were most heartily enjoyed. It was a happy occasion all round, but most so for the genial and hearty hosts, Mr. and Mrs. Kruse.

### Candidates For Senate

Political rumorologists have it that Hon. J. H. Coney will be a Republican candidate in the primary for the Senate and that he will probably not be opposed in his party. The seat to become vacant is that of Senator Chas. A. Rice whose term expires this year.

John T. Chandler, of Koloa, will be a candidate for nomination on the Democratic ticket and will likely not be opposed in the primary.

### A Honolulu Visitor

Miss Gertrude McQueen, of Honolulu, returned to the city Saturday night after a visit of three weeks with the Roendahls, at Elele. While on the island a dance was given in her honor in Elele hall, and Friday evening Miss Helen Schimmelfennig, of Koloa, gave her a complimentary luau, which was largely attended and much enjoyed.

### Port Allen Shipping

The barkentine Makaweli, which had been engaged in discharging 1300 tons of coal, left Thursday afternoon for Portland, Oregon. She will take a cargo of lumber from the Sound to Australia.

The barkentine James Johnson arrived Wednesday morning from Newcastle with 1650 tons of coal for the Kauai Railway Company. She will remain about two weeks.

The freight steamer Texan arrived Wednesday morning from the coast via Honolulu with small freight for local merchants. She took on 1600 tons of sugar and sailed the same afternoon for Kahului.

### Another Car Accident

Last week car 446, from Hanalei, driven by a Japanese, ran into a big truck belonging to McBryde Store on the Elele side of the Wahiawa hill, smashing up things generally. The car, a new Buick, sustained damages estimated at from \$300 to \$400, while the truck sustained \$100 of injury. Witnesses to the accident have stated that the Japanese was (as is so frequently the case) on the wrong side of the road.

### New Lihue Buildings

Next to the Tiptop theater in Lihue, on the Kapaia side, will be constructed a house for the use of persons having business establishments in the building. It will be a large structure and designed to harmonize with the neighborhood. Next to this building the plantation will put up several modern, concrete and wood houses for the use of laborers.

### Rutsch-Grote

A license was issued at Honolulu yesterday for the marriage of Paul O. E. Rutsch and Miss H. Amalie Grote, both of Lihue.

## ONE-SIDED BALL ALL OVER SUNDAY

There was baseball all over on Sunday but as a rule it was of a rather one-sided quality, indicating that the teams are unevenly balanced. Games were played at Kilauea, Lihue, Elele and Makaweli. The fifth game, billed for Homesteads, failed to materialize because Company F, of Kealia, did not show up.

**THE GAME AT KILAUEA**  
The tightest game of the day was that between Company B, of Lihue, and Company D, of Kilauea, at Kilauea. Lieutenant Patterson went over in charge of the Lihue bunch and Scores was put in the box. Quite a crowd witnessed the contest. At the ninth innings the score was a tie, 3 to 3. Company B at that point made a big pull-up, however, putting seven men across the plate. The game closed 10 to 3 in favor of the visitors.

**LIHUE GAME A FIZZLE**  
The game at Lihue between Companies A and C was considerable of a frost. Only four innings were actually finished, when Company C (Filipinos) left the field. The score at the time was 34 to 4 in favor of Company A. Both teams complained that some of their best men were absent.

**ON ELELE FIELD**  
A fair-sized crowd turned out at Elele to witness the game between Company G, of that town, and Company E, of Kealia. This proved to be a very one-sided contest, Company G scoring 19 runs and letting their competitors in for only one.

**MAKAWELI'S HOME GAME**  
Companies I and K had a game at Makaweli Sunday afternoon, the score being 18 to 2 in favor of the former. The crowd was small. Companies L and K will play at the same place next Sunday.

### New Club Quarters

An extensive addition is being built on Morrison Hall, at Makaweli, which will be used for a boarding house and club quarters for the employees of the plantation. When completed it will take the place of the present boarding house, and will be more roomy and more elaborately fitted up.

### Steam Roller Burns Cane

Last Tuesday afternoon a county steam roller, working on the public highway, set fire to a patch of young cane at Homestead belonging to A. J. Caldeira and practically destroyed two acres of it. An effort will be made to grind some of it, but as the cane was so young the saving will be small.

### Koloa's Dividends

With its extra dividends to be paid out added to the regular dividends already provided for, Koloa Sugar Company will dispense thirty per cent to its stockholders this year. This is regarded as a remarkable showing for an estate which a short time ago was almost in the "lame duck" class.

### Tax Appeal Decisions

Decisions in the Makaweli, Gay & Robinson and McBryde Sugar Company tax appeal cases will probably be handed down by the Tax Appeal court tomorrow.

Mrs. Faye and daughters left in the Kinau Saturday for California, the young ladies returning to school over there. They had spent the summer at their Kekaha home.

## RETIRE FROM HER HAWAIIAN WORK

In view of the near departure of Mrs. Anna C. Wilcox for a visit to the coast, she has resigned her position as superintendent of the Lihue Hawaiian Sunday School. Mrs. Wilcox has held this position for some twelve years, during which time she has done most excellent and efficient service to the community.

By means of an engaging personality, an intimate knowledge of the Hawaiian people, and a genuine interest in them, she has been exceptionally well adapted to this important work. In addition to these personal gifts, she has devoted herself, with most unselfish and untiring service to the interests of the school, with the result that it has prospered amazingly in her hands, and has grown to be one of the leading schools of the island, not only in numbers, but, more significantly, in interest and efficiency. Taking advantage of an opportune birthday, a deputation of the Sunday School presented Mrs. Wilcox, last Saturday morning, with a couple of valuable potted plants, together with a happily worded memorial expressive of appreciation, regard and good-will in consideration of her long years of faithful service.

## LARGER PLANS FOR THE ENSUING YEAR

The Lihue Union church, at a business meeting in the library rooms of the church Tuesday evening last, discussed matters of importance, and considered reports of the various committees recently appointed. A very satisfactory statement was made by the finance committee, showing a very healthy condition of the finances of the church and an encouraging outlook for the future, consequent on the increased interest in church matters.

A tentative budget for the coming year was made up on the basis of an expenditure just about double that of former years, for important new work to be undertaken. Pledges were made on the spot pretty well covering the increased expenditure. The various other committees likewise reported satisfactory progress, together with the assurance of larger things in the future.

### Polo Team Formed

A polo team has been organized on Kauai and it is quite likely that it will enter the inter-island tournament at Honolulu. Among the players are James Spalding, Senator Chas. A. Rice, Major W. H. Rice, Jay Gould and John Malina. The players are practicing at the Waipouli race track.

Kauai had a good polo team at one time and there are those who feel that the local bunch can still "come back".

### Hilonian Calls

The Matson steamship Hilonian arrived at Port Allen Friday morning from Honolulu and the coast, bringing no cargo. She sailed again Saturday afternoon for Kahului, taking 2,000 tons of sugar.

Miss Elizabeth Hobdy, daughter of Dr. Hobdy, Honolulu, came over Friday to spend a part of her vacation with Misses Edith and Juliet Rice.

## TODAY'S AND LATEST NEWS BY WIRELESS

Sugar, 5.775.

Instructions received here from the war department show that an important and exhaustive lot of work has been put out for the engineer's corps of the Hawaii militia under the defense act.

Capital and labor must get together, he says. Foreign relations under Bourbon rule are disgraceful.

### Appam Must Stay In Port
